**Sermon on the Mount Overview**

What are your general impressions of the Sermon on the Mount?

Which of the Beatitudes do you find most comforting/helpful?

What part of the Sermon on the Mount (and following it) come most naturally to you?

Which part of the Sermon on the Mount do you believe to be most difficult for you to either follow or understand?

What is an aspect of the Sermon on the Mount that you hope that I cover, or what is an aspect of the Sermon you hope is discussed in greater detail?

IF you can only take and apply one thing from the sermon what would it be?
