From House to House, Heart to Heart

An 8 year old boy, was discussing parent problems with his little friend. Of course, they had a lot of complaints. Dustin was overheard grumbling, “First they teach you to talk, then they teach you to walk, and as soon as you do it, it’s ‘Sit down and shut up!’”

A cartoon in Forbes magazine shows a modern father talking with his young boy, giving him some fatherly perspective: “Remember, Son, these are your tax-free years. Make the most of them.”

A person with six children is better satisfied than a person with \$6 million. Reason: The man with \$6 million wants more.

Proverbs 17:22

A joyful heart is good medicine, but a crushed spirit dries up the bones.
